

System Upgrade Checklist.

- Collect all YEFCU account numbers and any emails you may have on file with us.
- Plan any large transactions ahead of time due to limited debit card access from 7/31-8/3.
- Keep track of accounts leading up to access being disabled during upgrade days (8/1-8/2).

- With the help of our temporary call center, re-enroll in our online banking and new mobile banking app.
- Plan accordingly for Bill Pay services to be inactive from 7/31-10/9. Set reminders to pay ahead or pay manually online.
